

## Anybus ProfiHub B2+

Item number: 17210R

For PROFIBUS network designs, the ProfiHub B2+ offers a reliable and robust backbone solution with robust message checking and selectable redundancy on communication and power supply.

*Efficient network segmentation with integrated diagnostics down to the last device*

### Features and benefits

- ✓ **Diagnostics slave device**  
Capability to show diagnostic messages down to the last device with ComBricks
- ✓ **Compatible with different application speeds**  
The repeater is transparent and handles a connection speed from 9.6Kbps to 12Mbps easily
- ✓ **Network segmentation**  
Increase network reliability by creating isolated segmentations

## General

Net Width (mm)	111
Net Height (mm)	102
Net Depth (mm)	32
Net Weight (g)	660
Packed Width (mm)	16
Packed Height (mm)	6
Packed Depth (mm)	26
Packed Weight (g)	660
Operating Temperature °C Min	-25
Operating Temperature °C Max	70
Current Consumption Type Value at Vcc Nom (mA)	125 mA
Current Consumption Max value at Vcc nom (mA)	125 mA
Input Voltage (V)	9...31
Power Wire Diameter (mm)	< 2.5 mm <sup>2</sup>
Warranty (years)	1 Year

## Identification and Status

Product ID	17210R
Country of Origin	Netherlands (the)
HS Code	8471800000
Export Control Classification Number (ECCN)	EAR99

## Identification and Status

<b>Supply Risk Factor ERP</b>	Volume not defined yet
-------------------------------	------------------------

## Certifications and Standards

<b>Protection Class IP</b>	IP20
----------------------------	------

<b>WEEE Category</b>	IT and telecommunications equipment
----------------------	-------------------------------------
