

Bosch Commercial & VRF systems to KNX Interface

Item number: INKNXACA001I000

The Bosch-KNX interface allows full bidirectional communication between Bosch Commercial and VRF systems and KNX installations. It connects directly to the indoor unit and delivers complete interoperability with KNX.

Bosch to KNX - 1 indoor unit

Features and benefits

- **ETS** configuration
 - The interface is configured using the ETS standard configuration tool software.
- Multiple energy efficiency functions available Timeout, open window, or occupancy energy-saving functions are available to reduce energy costs.
- Total unit control and monitoring from KNX

 Through internal variables, running hours counter (for maintenance purposes), and error indication.
- Compact dimensions, allowing inside installation

 The interface can be quickly installed inside the AC unit thanks to its reduced dimensions.

- Compatible with all KNX thermostats in the market
 All the required DPT objects to be compatible with all KNX thermostats in the market are available.
- Smooth KNX thermostat integration KNX thermostats are allowed to control the AC unit via the thermostat's temperature sensor.
- AC unit control by both remote controller and KNX

 The AC unit can be simultaneously controlled by the manufacturer's remote controller and KNX.

Bosch Commercial & VRF systems to KNX Interface

General		
Net Width (mm)	71	
Net Height (mm)	71	
Net Depth (mm)	27	
Net Weight (g)	80	
Capacity	1 indoor unit.	
Installation Conditions	This gateway is designed to be mounted inside an enclosure. If the unit is mounted outside an enclosure, precautions should always be taken to prevent electrostatic discharge to the unit. When working inside an enclosure (e.g., making adjustments, setting switches, etc.), typical anti-static precautions should always be followed before touching the unit.	
Content of Delivery	Intesis Gateway, Installation Manual.	
Warranty (years)	3 years	
Identification and Status		
Product ID	INKNXACA001I000	
Country of Origin	Spain	
HS Code	8517620000	
Export Control Classification Number (ECCN)	EAR99	
Supply Risk Factor ERP	Volume not defined yet	
Purchasing Multiple ERP	1	
Cartifications and Standards
