

Ixxat INpact cable

Item number: 1.04.0340.00000

The INpact cable, with a length of 150 mm, serves as an essential link between the bus coupling unit and the INpact interface board. It enables reliable signal and data transmission over a short distance between the components.

Connects Ixxat INpact interface boards and bus coupling units (150 mm)

Features and benefits

✓ Reliable Connection

Tailored to Ixxat INpact boards in a M.2 or PCIe Mini format, the cable provides a secure and efficient connection to the bus coupling unit, ensuring reliable data transfer.

✓ Simple integration

Its 150 mm length offers enough flexibility for easy installation and arrangement within confined spaces in industrial setups.

Identification and Status

Product ID	1.04.0340.00000
Country of Origin	Germany
HS Code	8544421000
Export Control Classification Number (ECCN)	EAR99

General

Net Weight (g)	9
Packed Weight (g)	9

Certifications and Standards

ETIM Classification	EC002584
WEEE Category	IT and telecommunications equipment
