

## Anybus ProfiTrace Toolkit Plus

Item number: 37021

ProfiTrace is an essential tool for maintenance and troubleshooting and is currently the most powerful mobile analyzer for PROFIBUS networks.

*This tool enables network measurements to troubleshoot issues on running production.*

### Features and benefits

- ✓ **Portable tool that fits in your pocket**  
The ProfiCore is a mobile hardware tool that is easy to carry and ready with 2 simple connections.
- ✓ **Gain insight into your full network**  
Once connected to the network, you will be able to control and measure the entire installation.
- ✓ **Available when you need it**  
Measurements can be performed at any time, no shutdown of the network is required. Simply measure PROFIBUS DP and PA segments.
- ✓ **Show your results to make the change**  
All analysis can be compiled in a detailed report that contains the signals of all devices, faults, network topology, bar graph and administrative information.

# Anybus ProfiTrace Toolkit Plus

## Identification and Status

Product ID	37021
Country of Origin	Netherlands (the)
HS Code	9031808000
Export Control Classification Number (ECCN)	EAR99

## General

Net Weight (g)	1394
Packed Width (mm)	8
Packed Height (mm)	26
Packed Depth (mm)	33
Packed Weight (g)	1394
Operating Temperature °C Min	0
Operating Temperature °C Max	60
Storage Temperature °C Min	-20
Storage Temperature °C Max	70
Input Voltage (V)	5V
Power Connector	USB
Housing Materials	Plastic
Packaging Material	Cardboard
Warranty (years)	1 year

## Certifications and Standards

Protection Class IP	IP20
