

KNX TP to Modbus TCP & RTU Server Application

Item number: IN701KNX2500000

Integrate any KNX device or installation with a Modbus BMS or any Modbus TCP or Modbus RTU controller. This integration aims to make KNX communication objects and resources accessible from a Modbus-based control system or device as if they were a part of the Modbus system and vice versa.

KNX to Modbus TCP & RTU - 250 points

Features and benefits

- Up to six concurrent Modbus TCP clients supported

 The gateway supports up to six simultaneous Modbus TCP clients.
- Easy integration with Intesis MAPS

 The integration process is quickly and easily managed using the Intesis MAPS configuration tool.
- Configuration tool and gateway automatic updates
 Both the Intesis MAPS configuration tool and the gateway's firmware can receive automatic updates.
- Control up to 3000 KNX communication objects
 Up to 3000 KNX communication objects can be controlled by the gateway.

- Support for both Modbus RTU and Modbus TCP

 The gateway supports both Modbus RTU and Modbus TCP protocols.
- Commissioning-friendly approach with Intesis MAPS Templates can be imported and reused as often as needed, significantly reducing commissioning time.
- Support for KNX TP devices

The gateway supports KNX TP (twisted pair) devices.

General

Packaging Material Cardboard

Identification and Status

| Product ID | IN701KNX2500000_MBS_KNX |
|---|-------------------------|
| Country of Origin | Spain |
| HS Code | 8517620000 |
| Export Control Classification Number (ECCN) | EAR99 |

Physical Features

| Connectors / Input / Output | Power supply, KNX, Ethernet, Console port USB Mini-B type, USB storage, EIA-232, EIA-485. |
|-----------------------------|---|
| LED Indicators | Gateway and communication status. |
| Push Buttons | Factory reset. |
| DIP & Rotary Switches | EIA-485 serial port configuration. |
| Battery Description | Manganese Dioxide Lithium button battery. |

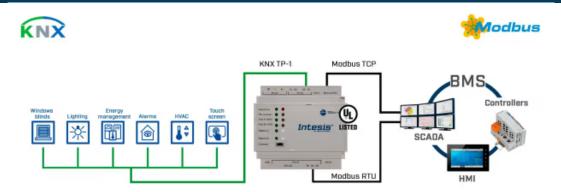

Certifications and Standards

| ETIM Classification | EC001604 |
|---------------------|-------------------------------------|
| WEEE Category | IT and telecommunications equipment |
