Ixxat®
BY HMS NETWORKS

SG-gateway

Item number: ASG4206-C

The Ixxat SG-gateway is used to integrate various industrial and energy-related devices into SCADA or cloud systems. It enables secure and reliable communication between energy systems, control rooms and industrial automation systems.

Features and benefits

SG-gateway

General

Net Weight (g)	350
Packed Weight (g)	350

Identification and Status

Product ID	ASG4206-C
Country of Origin	Sweden
HS Code	8517620000
Dual Usage	No
Export Control Classification Number (ECCN)	EAR99

Physical Features

Contains Battery	No

Certifications and Standards

ETIM Classification	EC001604
