

## Ixxat INpact bracket Ethernet M12

Item number: 1.04.0341.00003

The Ixxat INpact bracket Ethernet M12 has a special cut-out for M12 connectors and LEDs. It attaches the INpact bus coupling unit to the case of the customer device or computer, facilitating Ethernet connections for INpact cards.

*Enabling robust mounting for Ixxat INpact bus coupling units*

### Features and benefits

- ✓ **Stable mounting**  
The bracket securely mounts the INpact bus coupling unit in a computer and provide a stable connection for external cables and ports.
- ✓ **Uniform design**  
Easy switching to other protocols and Ixxat INpact bus coupling units thanks to a uniform design – without adjustment to the customer housing.
- ✓ **Straightforward integration**  
Simplifies Ethernet connectivity for INpact cards, offering a secure and direct connection via M12 connectors.

## General

|                   |    |
|-------------------|----|
| Net Weight (g)    | 16 |
| Packed Weight (g) | 16 |

## Identification and Status

|   |                 |
|---|-----------------|
| Product ID                                  | 1.04.0341.00003 |
| Country of Origin                           | Germany         |
| HS Code                                     | 7318190090      |
| Dual Usage                                  | No              |
| Export Control Classification Number (ECCN) | EAR99           |

## Physical Features

|                  |    |
|------------------|----|
| Contains Battery | No |
