

## Ixxat INpact cable

Item number: 1.04.0340.00000

The INpact cable, with a length of 150 mm, serves as an essential link between the bus coupling unit and the INpact interface board. It enables reliable signal and data transmission over a short distance between the components.

*Connects Ixxat INpact interface boards and bus coupling units (150 mm)*

### Features and benefits

#### ✓ Reliable Connection

Tailored to Ixxat INpact boards in a M.2 or PCIe Mini format, the cable provides a secure and efficient connection to the bus coupling unit, ensuring reliable data transfer.

#### ✓ Simple integration

Its 150 mm length offers enough flexibility for easy installation and arrangement within confined spaces in industrial setups.

## General

Net Weight (g)	9
----------------	---

Packed Weight (g)	9
-------------------	---

## Identification and Status

Product ID	1.04.0340.00000
------------	-----------------

Country of Origin	Germany
-------------------	---------

HS Code	8544421000
---------	------------

Dual Usage	No
------------	----

Export Control Classification Number (ECCN)	EAR99
---	-------

## Physical Features

Contains Battery	No
------------------	----

## Certifications and Standards

ETIM Classification	EC002584
---------------------	----------

WEEE Category	IT and telecommunications equipment
---------------	-------------------------------------
