

## Anybus Mercury MKII

Item number: 101-827220

The Anybus Mercury MKII is a rugged industrial Windows tablet that uses the Osiris diagnostic software to simplify Industrial Ethernet and PROFIBUS troubleshooting, maintenance, and monitoring. The mobile tool helps you quickly identify and resolve potential faults to keep your network healthy and efficient.

*Enable mobile multi-protocol industrial network monitoring with just one device.*

### Features and benefits

#### ✓ A mobile tool to do it all

The Mercury is a robust industrial tablet designed for portable use on site with the ability to diagnose PROFIBUS and Industrial Ethernet networks.

#### ✓ Industrial Ethernet ready

With just an industrial ethernet cable, simply connect to an open switch port and start monitoring your PROFINET, EtherNet/IP or EtherCAT network, gaining insight such as network topology, device information and more!

#### ✓ Ready in just a couple of steps

The tablet comes with the pre-installed software Osiris which enables you a quick start up

#### ✓ We cover legacy fieldbus networks too

With the tablet running on a Windows platform you can easily troubleshoot PROFIBUS DP and PA networks in combination with our ProfiTrace Software and ProfiCore

## General

|                    |               |
|--------------------|---------------|
| Net Width (mm)     | 279           |
| Net Height (mm)    | 188           |
| Net Depth (mm)     | 23.5          |
| Net Weight (g)     | 1975          |
| Packed Width (mm)  | 14            |
| Packed Height (mm) | 30            |
| Packed Depth (mm)  | 39            |
| Packed Weight (g)  | 2535          |
| Input Voltage (V)  | 100 - 240 VAC |
| Warranty (years)   | 1 year        |

## Identification and Status

|   |            |
|---|------------|
| Product ID                                  | 101-827220 |
| Country of Origin                           | Sweden     |
| HS Code                                     | 8471410000 |
| Dual Usage                                  | No         |
| Export Control Classification Number (ECCN) | EAR99      |

## Physical Features

|                     |                         |
|---------------------|-------------------------|
| Contains Battery    | Yes                     |
| Battery Description | Li-Ion 11.4V / 4360 mAh |

## Bluetooth Features

|                   |                              |
|-------------------|------------------------------|
| Bluetooth Version | Bluetooth v5.1 + EDR class 1 |
|-------------------|------------------------------|

## Certifications and Standards

|               |                                     |
|---------------|-------------------------------------|
| WEEE Category | IT and telecommunications equipment |
|---------------|-------------------------------------|
