PROFINET Cable Striping Tool

Item number: 40208

The PROFINET Cable Striping Tool removes the sheath and exposes the shielding with the exact length for the required plugs. No cable is wasted and it eliminates other tools.

A pocket size tool for speeding up the assembly of a PROFINET cable.

Features and benefits

✓ **Pocket sized**

The perfect tool for on the go and easy to carry.

✓ **One size fits all**

The tool removes and strips the cable to the required length of the plugs

PROFINET Cable Striping Tool
