

## In-Line Amplifier for Magnetic Pickups

Item number: ASTC0000

The In-Line Amplifier for Magnetic Pickups is engineered for reliability over long cable runs, this sensor features a current sinking output and ultra-low threshold speeds, making it ideal for precision applications. Its design supports larger air gaps and offers exceptional noise immunity, ensuring stable performance even in electrically noisy environments.

### Features and benefits

# In-Line Amplifier for Magnetic Pickups

General	
Net Weight (g)	0.65
Packed Weight (g)	0.65
Power Consumption (W)	10.4
Warranty (years)	2
Identification and Status	
Product ID	ASTC0000
Country of Origin	United States of America (the)
HS Code	8504408390
Dual Usage	No
Physical Features	
Contains Battery	No
