SSR 45A 1PH DIN MNT

Item number: RLY6A100

45A Solid State Relay with integrated heat sink. Single phase output, 48-660 VAC switching. 4-32 VDC control, zero voltage turn-on. DIN rail or panel mount. LED "ON" indicator, cage clamp terminations for easy wiring. Reliable solid-state switching.

Features and benefits

SSR 45A 1PH DIN MNT

General

Net Weight (g)	476
Packed Weight (g)	476
Input Voltage (V)	4 to 32 VDC
Warranty (years)	2

Identification and Status

Product ID	RLY6A100
Country of Origin	Mexico
HS Code	8536490099
Dual Usage	No

Physical Features

Contains Battery	No
