Anybus-S Ethernet Modbus TCP 2 port

Item number: AB4469-B

The Anybus-S Ethernet Modbus TCP 2 port interface has entered the ”Mature” product life cycle phase, managed by HMS. No further product enhancement, development or conformance testing is made by HMS. Upon request, limited bug fixes, improvements or updates to user manuals can be fixed. Such updates are normally expected to be funded by the customer.

Features and benefits

Anybus-S Ethernet Modbus TCP 2 port

General

Net Weight (g)	31
Packed Weight (g)	31
Warranty (years)	1

Identification and Status

Product ID	AB4469-B
Country of Origin	Sweden
HS Code	8517620000
Dual Usage	No

Physical Features

Contains Battery	No
