

Ixxat CAN adapter screw terminals to D-Sub 9

Item number: 1.04.0074.03000

The Ixxat CAN adapter efficiently converts the 4-pin CAN screw terminal connection on Ixxat topology components to a standardized 9-pin D-Sub connector. This makes it easy to connect Ixxat CAN/CAN FD interfaces or standard CAN/CAN FD cables. The adapter is not terminated and is also suitable for use in CAN FD buses.

Connects CAN/CAN FD components (screw terminals to D-Sub 9)

Features and benefits

Versatile adapter

Enables the connection of CAN/CAN FD devices with screw terminals to components with D-Sub 9, thereby ensuring broader compatibility.

Optimal compatibility

Ideally suited for usage with Ixxat topology components with screw terminals.

Ixxat CAN adapter screw terminals to D-Sub 9

General

Net Width (mm)	33
Net Height (mm)	17
Net Depth (mm)	38
Net Weight (g)	19
Packed Width (mm)	33
Packed Height (mm)	17
Packed Depth (mm)	38
Packed Weight (g)	19
Content of Delivery	Adaptor Screw terminals to SUB D9
Warranty (years)	1

Identification and Status

Product ID	1.04.0074.03000
Export Control Classification Number (ECCN) (Applies only to the U.S)	EAR99

Physical Features

Contains Battery	No
------------------	----

Certifications and Standards

WEEE Category	IT and telecommunications equipment
---------------	-------------------------------------
