

## Anybus ComBricks Head Station 1B

Item number: 101-20011B

The Head Station Type 1B is an enhanced type that contains a ProfiTrace core for monitoring one PROFIBUS network and an advanced web server for permanent remote maintenance of the PROFIBUS installation over Ethernet

*The primary element of the ComBricks modular system*

### Features and benefits

✓ **The main power source for all**

The Head Station provides power to all modules through its redundant power supply.

✓ **Supporting multiple networks**

Repeater modules can be set to 4 network and have integrated scopeware functionalities

✓ **Remote web server access**

Have full data insight into your network measurements such as status of all devices, live lists, statistics, message recordings, PROFIBUS events and more whenever you need it.

## General

|                                                   |                                   |
|---------------------------------------------------|-----------------------------------|
| Net Weight (g)                                    | 447                               |
| Packed Width (mm)                                 | 10                                |
| Packed Height (mm)                                | 15                                |
| Packed Depth (mm)                                 | 20                                |
| Packed Weight (g)                                 | 697                               |
| Operating Temperature °C Min                      | -20                               |
| Operating Temperature °C Max                      | 60                                |
| Current Consumption Type<br>Value at Vcc Nom (mA) | 73 mA                             |
| Current Consumption Max<br>value at Vcc nom (mA)  | 800 mA                            |
| Input Voltage (V)                                 | 11...26 VDC                       |
| Power Wire Diameter (mm)                          | < 2.5 mm <sup>2</sup>             |
| Reverse Polarity Protection                       | Yes                               |
| Mounting                                          | DIN rail mount (bracket included) |
| Housing Materials                                 | Plastic                           |
| Packaging Material                                | Cardboard                         |
| Warranty (years)                                  | 1 Year                            |

## Identification and Status

|                   |            |
|-------------------|------------|
| Product ID        | 101-20011B |
| Country of Origin | Sweden     |
| HS Code           | 8471800000 |

# Anybus ComBricks Head Station 1B

## Identification and Status

|            |    |
|------------|----|
| Dual Usage | No |
|------------|----|

## Physical Features

|              |    |
|--------------|----|
| SD Card Slot | SD |
|--------------|----|

|                  |    |
|------------------|----|
| Contains Battery | No |
|------------------|----|

## Certifications and Standards

|                     |      |
|---------------------|------|
| Protection Class IP | IP20 |
|---------------------|------|

|                |     |
|----------------|-----|
| RoHS Compliant | Yes |
|----------------|-----|

|                        |                              |
|------------------------|------------------------------|
| Product Certifications | CE, UKCA, UL, FCC, EMC, RoHS |
|------------------------|------------------------------|

|               |                                     |
|---------------|-------------------------------------|
| WEEE Category | IT and telecommunications equipment |
